

2013 discharge: European Maritime Safety Agency (EMSA)

2014/2105(DEC) - 30/03/2015 - Committee report tabled for plenary, single reading

The Committee on Budgetary Control adopted the report by Ryszard CZARNECKI (ECR, PL) on discharge in respect of the implementation of the budget of the European Maritime Safety Agency (EMSA) for the financial year 2013.

It called on the European Parliament to grant the Executive Director of the Agency discharge in respect of the implementation of the Agency's budget for the financial year 2013.

Noting that the Court of Auditors stated that it has obtained reasonable assurances that the annual accounts of the Agency for the financial year 2013 are reliable, and that the underlying transactions are legal and regular, Members called on the Parliament to approve the closure of the Agency's accounts. They made, however, a number of recommendations that needed to be taken into account when the discharge is granted, in addition to the general recommendations that appear in the [draft resolution on performance, financial management and control of EU agencies](#).

- **Agency's financial statements:** Members noted that the final budget of the Centre for the financial year 2013 was EUR 57 819 864, representing an increase of 4.88% compared to 2012. The Union contribution to this amount was EUR 53 789 658, representing an increase of 2.65% compared to 2012.
- **Commitments and carry-overs:** Members noted that budget monitoring efforts during the financial year 2013 resulted in a budget implementation rate of 98.07%, and that the payment appropriations execution rate was 88.73%. They acknowledged that according to the Court's report no notable issues were identified as regards the level of carry-overs in 2013.

Members also made a series of observations on transfers, procurement and recruitment procedures, prevention and conflicts of interest and internal audits.
