Discharge procedure of the EU Joint Undertakings: the EU Budget finances a wide range of policies and programmes throughout the EU. In accordance with the priorities set by the European Parliament and the Council in the multi-annual financial framework (MFF), the European Commission carries out specific programmes, activities and projects in the field with the technical support of some specialised agencies.

The consolidated annual accounts of the EU provide information on the activities of the institutions, agencies and other bodies of the EU from a budgetary and accrual accounting perspective.

The consolidated reports on the implementation of the general budget of the EU include the budget implementation of all Institutions. **Agencies and Joint Undertakings (JUs) do not have a separate budget inside the EU budget**; and they are partially financed by a Commission budget subsidy.

This document sets out how the JUs spent and implemented their budget in 2014. Each agency is subject to its own discharge procedure.
