2013 discharge: European Network and Information Security Agency (ENISA)

2014/2110(DEC) - 29/04/2015 - Final act

PURPOSE: to grant discharge to the European Union Agency for Network and Information Security for the financial year 2013.

NON LEGISLATIVE ACT: Decision (EU) 2015/1669 of the European Parliament on discharge in respect of the implementation of the budget of the European Union Agency for Network and Information Security for the financial year 2013.

CONTENT: with the present decision, the European Parliament grants discharge to the Executive Director of the European Union Agency for Network and Information Security for the implementation of its budget for the financial year 2013.

This decision is in line with the European Parliament's resolution adopted on 29 April 2015 and comprises a series of observations that form an integral part of the discharge decision (please refer to the summary of the opinion of 29 April 2015).

Amongst Parliament’s main observations, it noted that the Agency's operational staff was relocated to Athens while its administrative staff remained in Heraklion, and felt that administrative costs could be reduced if **all the Agency's staff were to be centralised** in one location.
