2013 discharge: European Railway Agency (ERA)

2014/2111(DEC) - 29/04/2015 - Final act

PURPOSE: to grant discharge to the European Railway Agency for the financial year 2013.

NON LEGISLATIVE ACT: Decision (EU) 2015/1671 of the European Parliament on discharge in respect of the implementation of the budget of the European Railway Agency for the financial year 2013.

CONTENT: with the present decision, the European Parliament grants discharge to the Executive Director of the European Railway Agency for the implementation of its budget for the financial year 2013.

This decision is in line with the European Parliament's resolution adopted on 29 April 2015 and comprises a series of observations that form an integral part of the discharge decision (please refer to the summary of the opinion of 29 April 2015).

Amongst Parliament’s main observations, it deplored the fact that the use of two locations (Lille and Valenciennes) to carry out its activities exposed the Agency to additional costs. It called for **a single location** for the Agency, in a place easily accessible by public transport.
