

Third-country nationals: conditions of entry and residence for the purposes of research, studies, training, voluntary service, pupil exchange schemes or educational projects and au pairing.

Recast

2013/0081(COD) - 02/05/2016 - Committee recommendation tabled for plenary, 2nd reading

The Committee on Civil Liberties, Justice and Home Affairs adopted the recommendation for second reading contained in the report by Cecilia WIKSTRÖM (ADLE, SE) on the Council position at first reading with a view to the adoption of a directive of the European Parliament and of the Council on the conditions of entry and residence of third-country nationals for the purposes of research, studies, training, voluntary service, pupil exchange schemes or educational projects and au pairing (recast).

The committee recommended the European Parliament to **approve the Council position at first reading without amendment.**

It also approved a joint statement by the European Parliament and the Commission on the ground for rejection specified in point (f) of Article 20(2).

The European Parliament and the Commission understand point (f) of Article 20(2) of this Directive as allowing Member States to reject an application only on a case-by-case basis and taking into account the specific circumstances of the third-country national and the principle of proportionality and on the basis of evidence or serious and objective reasons. The inclusion of this provision in this Directive should not constitute a precedent for future legal migration instruments.
