

Enhanced cooperation in the area of jurisdiction, applicable law and the recognition and enforcement of decisions in matters of matrimonial property regimes

2016/0059(CNS) - 23/06/2016 - Text adopted by Parliament, 1st reading/single reading

The European Parliament adopted by 498 votes to 58, with 35 abstentions, in the framework of a special legislative procedure (Parliament's consultation), a legislative resolution on the proposal for a Council regulation on jurisdiction, applicable law and the recognition and enforcement of decisions in matters of matrimonial property regimes.

Parliament **approved the Commission proposal** without amendment.

To recall, the draft Regulation seeks to establish a comprehensive set of rules of international private law applicable to matrimonial property regimes. It therefore deals with matters of jurisdiction, applicable law and the recognition and enforcement of decisions in matrimonial property cases. The rules proposed are concerned only with cross-border cases.
