

# Transport: repealing obsolete Regulations

2016/0368(COD) - 21/06/2017 - Committee report tabled for plenary, 1st reading/single reading

The Committee on Transport and Tourism adopted the report by Karima DELLI (Greens/EFA, FR) on the proposal for a regulation of the European Parliament and of the Council repealing Council Regulation (EEC) No 1101/89, Regulations (EC) No 2888/2000 and (EC) No 685/2001.

The committee recommended that the European Parliament's position adopted at first reading, in accordance with the ordinary legislative procedure, should support the repeal of Regulation (EEC) No 1101/89, Regulation (EC) No 2888/2000 and Regulation (EC) No 685/2001 as proposed by the Commission.

Two amendments were introduced in two recitals. The first states that it is proposed to repeal legislative acts in **both inland waterway and haulage sectors**.

Furthermore, since Regulation No 546/2014 introduced the subject-matter of repealed Regulation No 1101/89, the second amendment seeks to mention in a recital Regulation No 546/2014 of the European Parliament and of the Council amending Regulation (EC) No 718/1999 on a Community-fleet capacity policy to promote inland waterway transport.
