

2016 discharge: European Insurance and Occupational Pensions Authority (EIOPA)

2017/2172(DEC) - 19/09/2017 - Court of Auditors: opinion, report

PURPOSE: presentation of the EU Court of Auditors' report on the annual accounts of the European Insurance and Occupational Pensions Authority (EIOPA) for the year 2016, together with the EIOPA's reply.

CONTENT: in accordance with the tasks conferred on the Court of Auditors by the Treaty on the Functioning of the European Union, the Court presents to the European Parliament and to the Council, in the context of the discharge procedure, a Statement of Assurance as to the reliability of the annual accounts of each institution, body or agency of the EU, and the legality and regularity of the transactions underlying them, on the basis of an independent external audit.

This audit focused on the annual accounts of the European Insurance and Occupational Pensions Authority (**EIOPA**). To recall, the Authority's task is to contribute to the establishment of high-quality common regulatory and supervisory standards and practices, to contribute to the consistent application of legally binding Union acts, to stimulate and facilitate the delegation of tasks and responsibilities among competent authorities, to monitor and assess market developments in the area of its competence and to foster the protection of policyholders, pension scheme members and beneficiaries.

Statement of assurance: pursuant to the provisions of Article 287 of the Treaty on the Functioning of the European Union (TFEU), the Court has audited:

- the annual accounts of the Agency, which comprise the financial statements and the reports on the implementation of the budget for the financial year ended 31 December 2016, and
- the legality and regularity of the transactions underlying those accounts.

Opinion on the reliability of the accounts: in the Court's opinion, the Authority's annual accounts present fairly, in all material respects, its financial position as at 31 December 2016 and the results of its operations and its cash flows for the year then ended, in accordance with the provisions of its Financial Regulation and the accounting rules adopted by the Commission's accounting officer.

Opinion on the legality and regularity of the transactions underlying the accounts: in the Court's opinion, the transactions underlying the annual accounts for the year ended 31 December 2016 are legal and regular in all material respects.

The Court's observations: without calling into question its opinion, the Court draws attention to the fact that the United Kingdom (UK) notified the European Council on 29 March 2017 of its decision to withdraw from the European Union. An agreement setting out the arrangements for its withdrawal will be negotiated. EIOPA's budget is financed by 40 % from European Union funds and by 60 % through direct contributions from EU Member States. A future decrease of the Authority's revenue resulting from the UK's decision to leave the EU is possible.

The Court did not make any other particular comment on the Authority's budgetary management.

Lastly, the Court of Auditors' report also contained a summary of the **Authority's key figures in 2016:**

- **Budget:** EUR 21.8 million.

- **Staff:** 139 including officials, temporary and contract staff and seconded national experts.
