

Automated data exchange with regard to vehicle registration data in Denmark

2016/0815(CNS) - 27/03/2017 - Final act

PURPOSE: to authorise Denmark to receive and supply personal data with regard to vehicle registration data (VRD).

NON-LEGISLATIVE ACT: Council Implementing Decision (EU) 2017/618 concerning the launch of automated data exchange with regard to vehicle registration data in Denmark

CONTENT: this Council Implementing Decision **authorises Denmark to receive and supply personal data** in accordance with Decision 2008/615/JHA for the purpose of automated searching of vehicle registration data, as of 2 April 2017.

As a reminder, [Council Decision 2008/615/JHA](#) on the stepping up of cross-border cooperation, in particular with a view to combating terrorism and cross-border crime, provides that the supply of personal data may not take place until the general provisions on data protection have been implemented in the national law of the territories of the Member States involved in such supply.

An **overall evaluation report**, summarising the results of the questionnaire sent to Denmark, the evaluation visit to Denmark and the pilot run with the Netherlands concerning VRD exchange, has been presented to the Council.

On 13 October 2017, the Council concluded that Denmark had fully implemented the general provisions on data protection set out in Decision 2008/615/JHA.

ENTRY INTO FORCE: 2.4.2017.
