# EU/Agency for Aerial Navigation Safety in Africa and Madagascar (ASECNA) Cooperation Agreement: development of satellite navigation and provision of associated services in ASECNA's area of competence for the benefit of civil aviation

2017/0104(NLE) - 21/06/2018 - Committee report tabled for plenary, 1st reading/single reading

The Committee on Industry, Research and Energy adopted the report by Jerzy BUZEK (EPP, PL) on the draft Council decision on the conclusion on behalf of the Union of the Cooperation Agreement between the European Union and the Agency for Aerial Navigation Safety in Africa and Madagascar (ASECNA) on the development of satellite navigation and the provision of associated services in ASECNA's area of competence for the benefit of civil aviation.

The committee recommended that Parliament **give its consent** to the conclusion of the agreement.

The objectives of the agreement are to develop satellite radio navigation and to provide associated services in ASECNA's area of competence for the benefit of civil aviation by enabling it to benefit from European satellite radio navigation programmes.
