

Asylum, Migration and Integration Fund: recommitment of remaining amounts or allocation of those amounts to other actions under the national programmes

2018/0371(COD) - 19/11/2018 - Committee report tabled for plenary, 1st reading/single reading

The Committee on Civil Liberties, Justice and Home Affairs adopted the report by Miriam DALLI (S&D, MT) on the proposal for a regulation of the European Parliament and of the Council amending Regulation (EU) No 516/2014 of the European Parliament and the Council, as regards the re-commitment of the remaining amounts committed to support the implementation of the Council Decisions (EU) 2015/1523 and (EU) 2015/1601 or the allocation thereof to other actions under the national programmes.

As a reminder, the proposal to amend Council Regulation (EU) No 516/2014 establishing the Asylum, Migration and Integration Fund (AMFI) allows Member States to re-commit or transfer amounts within national programmes, through revisions to these national programmes, in order to promote EU priorities in the areas of migration and asylum, including relocation.

The committee recommended that the European Parliament's position adopted at first reading under the ordinary legislative procedure should amend the Commission's proposal as follows:

- Member States shall re-commit **20% of those amounts** to actions in national programmes, for relocation of applicants for international protection or relocation of beneficiaries of international protection, or for resettlement and other ad-hoc humanitarian admission;
- where duly justified in the revision of Member States' national programmes, it shall be possible to fund specific actions in the area of migration and asylum, in line with the Asylum, Migration and Integration Fund Regulation, notably in developing aspects of the Common European Asylum System, in particular family reunification or for supporting legal migration to the Member States and promoting the effective integration of third-country nationals;
- the allocation of funds shall be carried out in full respect with the principles set out in the Financial Regulation, in particular **efficiency and transparency**;
- the target group eligible for relocation as well as the countries from where relocation takes place shall be expanded to give more flexibility to Member States in carrying out relocations. Priority should be given to the relocation of unaccompanied minors, other vulnerable applicants and family members of beneficiaries of international protection;
- with a view to implementing the principle of solidarity and fair sharing of responsibility and in the light of Union policy developments within the implementation period of the Fund, Member States shall receive, in addition to their allocation, an additional amount based on a lump sum of **EUR 10 000** for each applicant for international protection and beneficiary of international protection transferred from another Member State;
- lastly, the Commission shall **report annually** to the European Parliament and to the Council as regards the application of resources for the transfer of applicants for international protection and of beneficiaries of international protection, in particular as regards transfers to other actions under the national programme and re-commitments.
