2017 discharge: European Insurance and Occupational Pensions Authority (EIOPA)

2018/2203(DEC) - 31/01/2019 - Supplementary non-legislative basic document

Having examined the revenue and expenditure accounts for the financial year 2017 and the balance sheet as at 31 December 2017 of the European Insurance and Occupational Pensions Authority (EIOPA), as well as the Court of Auditors' report on the annual accounts of the Authority for the financial year 2017, accompanied by the Authority's replies to the Court's observations, the Council recommended the European Parliament to give a discharge to the Executive Director of the Authority in respect of the implementation of the budget for the financial year 2017.

Nevertheless, the following observations were made:

- ***Brexit***: the Council encouraged the Authority to take into account any possible financial impact of the withdrawal of the United Kingdom from the EU on its organisation, operations and accounts;

- ***staff***: the Authority should ensure proper transparency and publicity of its vacancy notices, while avoiding unjustified costs.
