Request for the waiver of the immunity of Eleftherios Synadinos

2018/2270(IMM) - 02/04/2019 - Committee report tabled for plenary, single reading

The Committee on Legal Affairs adopted the report by Angel DZHAMBAZKI (ECR, BG) on the request for waiver of the immunity of Eleftherios SYNADINOS (NI, EL).

As a reminder, the Deputy Prosecutor of the Hellenic Supreme Court requested the waiver of the immunity of Eleftherios Synadinos, Member of the European Parliament, in connection with a possible legal action concerning an alleged offence.

Eleftherios Synadinos is accused of failing to comply with the interim ruling No 3603/2015 of the Athens single-judge court of instance ordering the removal of all cameras from the ground floor and entrance of the building located at 73, Odos Grammou, Maroussi (Attica) and the payment of a fine of EUR 600 for each future infringement of the ruling of 25 May 2015.

Members recalled that the purpose of parliamentary immunity is to protect Parliament and its Members from legal proceedings in relation to activities carried out in the performance of parliamentary duties and which cannot be separated from those duties.

However, the prosecution does not concern opinions or votes cast by him in the performance of his duties as a Member of the European Parliament. Moreover, there is no reason to suspect that the intention underlying criminal proceedings is to damage a Member’s political activity or reputation and thus the independence of Parliament (*fumus persecutionis*).

On the basis of these elements, the committee responsible recommended that the European Parliament decide to waive the immunity of d’Eleftherios Synadinos.
