

Common organisation of the markets in fishery and aquaculture products; approval and market surveillance of agricultural and forestry vehicles and two- or three-wheel vehicles and quadricycles: certain reporting requirements

2023/0370(COD) - 29/01/2024 - Committee report tabled for plenary, 1st reading/single reading

The Committee on the Internal Market and Consumer Protection adopted the report by Anna CAVAZZINI (Greens/EFA/ALE, DE) on the proposal for a regulation of the European Parliament and of the Council amending Regulation (EU) No 1379/2013, Regulation (EU) No 167/2013 and Regulation (EU) No 168/2013 of the European Parliament and of the Council as regards certain reporting requirements.

The committee responsible recommended that the European Parliament's position adopted at first reading under the ordinary legislative procedure should amend the proposal as follows:

Regulation (EU) No 1379/2013 of the European Parliament and of the Council on the common organisation of the markets in fishery and aquaculture products, Regulation (EU) No 167/2013 on the approval and market surveillance of agricultural and forestry vehicles and Regulation (EU) No 168/2013 on the approval and market surveillance of two- or three-wheel vehicles and quadricycles contain a number of reporting requirements in the fields of marketing standards and market surveillance.

This proposal concerns limited and targeted amendments to the legislation with a view to simplifying the reporting requirements. These changes are based on the experience gained from the implementation of the legislation.
