

Car industry: approval for the production of retreaded pneumatic tyres, UN/ECE Regulation 108

2000/0002(AVC) - 25/08/2000 - Legislative proposal

The Council adopted a common position on the accession of the European Community to United Nations Economic Commission for Europe Regulation No 108 on the approval of the production of retreaded pneumatic rubber tyres for motor vehicles and their trailers. On this occasion, the Council requests the assent of the European Parliament.
