# Freedom to supply services and workers' rights: posting of workers

1991/0346(COD) - 29/06/1995

At the request of the Commission, the Council had a brief discussion on the proposal for a directive concerning the posting of workers in the framework of the provision of services. Commissioner FLYNN said he was prepared to make one last effort to help reach agreement on this important directive. The Council instructed the Permanent Representatives Committee to continue the discussion under the Spanish Presidency.
