# Procurement procedures water, energy, transport and telecommunications sectors (amend. Directive 93/38/EEC)

1995/0080(COD) - 22/07/1997

The Council was unable to accept all the European Parliament's second reading amendments to its common position concerning the proposal for a Directive amending Directive 93/38/EEC coordinating the procurement procedures of entities operating in the water, energy, transport and telecommunications sectors. The Conciliation Committee will therefore be convened.
