Employment in Europe. 1995 annual Report

1995/2231(COS) - 29/06/1995

The Council noted the information from the Presidency on the outcome of the European Council in Cannes (26 and 27 June 1995) as regards employment. It also noted information from the incoming Spanish Presidency on its intentions concerning the first annual report from the Council to be submitted to the European Council in Madrid (15 and 16 December 1995). An ad hoc Working Party of personal representatives of the Ministers for Labour was instructed to prepare the report.
