Aromatized wines and aromatized wine-based drinks: definition, description and presentation (amend. Regulation (EEC) No 1601/91)

1995/0287(COD) - 15/07/1996

Welcoming the fact that the three amendments adopted by Parliament at first reading had been taken over in the common position, the rapporteur, Mr MARTIN (UPE, F), also pointed out that the concept of the ‘traditional product’ had been developed by the Council; he therefore recommended that the common position should be approved. Commissioner Fischler welcomed the level of agreement reached between Parliament and the Council.
