Consumers: financial services. Green paper

1996/2096(COS) - 25/11/1996

Commissioner Bonino informed the Council of the results of the Commission's consultations on the Green Paper, presented in May 1996. These consultations involved relevant organisations in banking, finance and insurance sectors as well as consumer associations. The Council took note of the Commission's intention to reflect on the appropriate follow-up to these consultations.
