Community action programme Socrates: financial framework 1995-1999

1997/0103(COD) - 12/06/1997

While favourable to a budget increase, Commissioner Cresson said that the Commission could not, given the current budgetary context, accept the amendment on an increase in the additional amount, particularly as the Commission had proposed an 11% increase for Socrates over 1997 which was already a considerable step forward.
