Feedingstuffs: particular nutritional purposes

1997/0208(COD) - 19/02/1998

The rapporteur stressed the importance of Parliament having secured the codecision procedure on this issue. This was in fact the first time that the Commission had proposed applying the procedure in accordance with Article 100a of the Treaty as a result of the commitments made to the Committee of Inquiry into BSE. Commissioner Oreja said that the Commission could accept Amendments Nos 1 to 10.
