SAVE II, energy efficiency: multiannual programme 1998-2202

1997/0371(COD) - 11/11/1999

Since the current programmes will expire at the end of this year and the Council cannot accept all of the amendments adopted (8), the Finnish Presidency decided to convene the Conciliation Committee in the near future. The constituent meeting of the delegation took place on 20 October 1999. As regards the substance, the disagreement with the Council appears to revolve around the budget issue, since Parliament is proposing that the funding for SAVE II be increased by EUR 4.4 m.
