Combating fraud and counterfeiting: security of non-cash means of payment. Framework Decision

1999/0190(CNS) - 30/05/2000 - Legislative proposal

Given that the European Parliament has not yet tabled its opinion, the Council has transmitted to the Parliament a new version of the text that is currently under examination within the Council and which replaces that which is already being examined by the Parliament, so as to enable the Parliament to supplement the information that it currently has in its possession.
