Agricultural and forestry tractors: approval of internal combustion engines, UN/ECE Regulation

2003/0155(AVC) - 13/02/2004 - Legislative proposal

This proposal for a Council decision seeks to establish the position of the Community on the draft Regulation on the draft Regulation of the United Nations Economic Commission for Europe concerning the adoption of uniform prescriptions applicable to the approval of internal combustion engines to be installed in agricultural and forestry tractors and in non-road mobile machinery, with regard to their net power, net torque and specific fuel consumption.
