With regard to the Commission proposal, the common position introduced the following elements: - consideration of the guidelines contained in the annex to the Council resolution of 13 December 1993, in the last recital and in Article 1, as well as an in-extenso repeat of these guidelines in Annex II; - extension of the "Europe against AIDS" programme for two years until 31 December 1995 instead of the one year proposed by the Commission; - reference to the amounts deemed necessary for the implementation of the action plan totalling ECU 18 million over two years.
