Dangerous substances and preparations: limiting the market availibility (constitutive consolidation)

1991/0402(COD) - 27/10/1999

The European Parliament confirmed as its first reading the text voted on 12.02.1992 on a proposal for a Directive on restrictions on the marketing and use of certain dangerous substances and preparations the number of the legal base of which changed with the entry into force of the Amsterdam Treaty.
