Protection of inventions by the utility model: approximating legal arrangements

1997/0356(COD) - 27/10/1999

The European Parliament confirmed as first reading the text voted on 12.03.1999 on the proposal for a Directive concerning the legal arrangements for the protection of inventions by utility model, the numbering of the legal base of which has changed due to the entry into force of the Amsterdam Treaty.
