Dangerous substances and preparations: limiting the market availibility (constitutive consolidation)

1991/0402(COD) - 11/12/2001

The Directorates General or responsible departments have asked for this proposal to be withdrawn. The reasons are indicated as follows: A) for objective reasons (change of de facto situation, objectives already achieved by other means, etc) B) because the Commission has now adopted another approach : - the proposal is replaced implicitly, - a new proposal is in preparation, - no planned replacement.
