# Driving licences, system of harmonized codes (amend. Directive 91/439/EEC)

1996/0040(SYN) - 24/04/1996 - Economic and Social Committee: opinion, report

The Committee unreservedly endorses the Commission's Proposal which represents a further useful step towards increased road safety, facilitating the mutual recognition of driving licences and consequently the free movement of persons in the EU.
