EC/Georgia fisheries agreement

1996/0180(CNS) - 21/10/1996 - Legislative proposal

OBJECTIVE: conclusion of an Interim Agreement on trade and trade-related matters between the European Communities and Georgia. SUBSTANCE: the object of the proposal for a decision is to conclude an Interim Agreement on trade and trade-related measures between the European Community, the ECSC and Euratom, of the one part, and Georgia, of the other part. The Interim Agreement provides for provisional implementation of the part of the Partnership and Cooperation Agreement on trade and trade-related measures concluded between the European Community and that country (Agreement initialled on 22 April 1996) and will be applicable until the entry into force of the Partnership and Cooperation Agreement. The Interim Agreement replaces, as far as Georgia specifically is concerned, the trade-related provisions of the Agreement on Trade and Commercial and Economic Cooperation concluded in 1989 between the European Communities and the USSR. The Council will conclude the Agreement on behalf of the European Community under Article 113, in conjunction with Article 228(2), first sentence of the EC Treaty
