Agricultural prices 1996/1997: beef sector (amend. Regul. 805/68/EEC)

1996/0068(CNS) - 24/04/1996 - Economic and Social Committee: opinion, report

The ESC considers that the proposals for the beef sector are insufficient to tackle the present major crisis. It calls for emergency measures, outside the normal market-support mechanisms, which should be financed from the general budget without drawing on the funds earmarked for CAP management and other measures.
