Aromatized wines and aromatized wine-based drinks: definition, description and presentation (amend. Regulation (EEC) No 1601/91)

1995/0287(COD) - 21/02/1996

The Committee on Agriculture adopted the report by Mr MARTIN. As regards the definition, the committee felt that it should refer to a traditional, non-industrial product and that, as a result, the proposal to prohibit the addition of water should be maintained.
