Health problems: requirements for trade in and imports of products non covered by direct. 89/662 /EEC and 90/425/EEC

1996/0197(CNS) - 27/11/1996 - Economic and Social Committee: opinion, report

The Committee has, in principle, no objections to simplifying this somewhat confused directive. The ESC feels, however, that the proposed simplification should not cover unprocessed fowl manure. A Community list must be retained for this type of manure, since it carries a considerable risk of spreading disease (salmonella, avian influenza and Newcastle disease).
