

General budget of the European Communities: recasting of the financial regulation

2000/0203(CNS) - 26/11/2001

The committee decided to recommend that Parliament adopt the legislative resolution contained in the report by Mr Gianfranco DELL'ALBA (NI, I), which had been adopted in committee on 16 May 2001. Parliament would thereby formalise its opinion under the consultation procedure on the proposal on the revision of the Financial Regulation.
