Budgetary discipline: mobilisation of the flexibility instrument for the reconstruction of Iraq, 2003-2004

2003/0225(ACI) - 01/12/2003

The committee adopted the report by Joan COLOM i NAVAL (PES, E) approving the proposed decision to mobilise the flexibility instrument for the rehabilitation and reconstruction of Iraq. The committee said that Parliament was willing to provide the EU with the appropriate means to assume its new responsibilities in the world, without affecting its traditional priorities.
