1994 discharge: European Foundation for the Improvement of Living and Working Conditions EFILWC budget (Dublin)

1996/2045(DEC) - 19/03/1996

The Committee on Budgetary Control adopted the proposed decision on the Foundation for the improvement of living and working conditions in Dublin. While endorsing the Court of Auditor's criticism of the financial management of the Foundation during the 1994 financial year, the rapporteur noted that the Court had confined itself this year to a relatively simple audit; consequently, having made the necessary recommendations, he stated that he supported the decision to give discharge to the management board of the Foundation.
