EAGGF Guarantee section, control of expenditure: member states' action programmes

1995/0244(CNS) - 27/02/1996

The Committee unanimously adopted the report by Mr Salvador GARRIGA POLLEDO (EPP, E) relating to the implementation of Member States' action programmes on control of EAGGF Guarantee Section expenditure. The Committee on Budgetary Control recommended that plenary approve the Commission's new approach whereby most of the funds would be used to finance proposals likely to enhance the range and quality of fraud prevention measures. The Committee suggested in particular that the Community's financial contribution should not exceed 80%. Finally, the Committee called on the Commission to report to Parliament and the Council on the implementation of the regulation at the end of its second year in force.
