1993 discharge: follow-up

1996/2006(DEC) - 26/03/1996

The committee adopted the proposal for a resolution by 10 votes to 1. It took this opportunity to clarify its position on certain matters, such as own resources, the application of the Structural Fund rules in 1993 and management of the PHARE and TACIS programmes, which had arising from the Commission's response to Parliament's resolution on discharge for the 1993 financial year.
