1998/0138(CNS) - 21/07/1998

The Committee has adopted the report by Philippe MONFILS (ELDR, B) on the conclusion of a bilateral agreement between the EU and Cyprus on the participation of the Republic of Cyprus in the MEDIA II programme, as part of the Community's audiovisual policy (consultation procedure). The report endorses the conclusion of an agreement. It highlights the benefits of participation by Cyprus, points out that Cyprus has already transposed in full the directive "Television without Frontiers" into national law and says that incorporation of the acquis communautaire on audiovisual policy into Cypriot law is under way.
