Combating Aids, tuberculosis and malaria: Community contribution to the Global Fund

2001/0251(COD) - 20/11/2001

The committee adopted the report by Joaquim MIRANDA (EUL/NGL, P) amending the proposal under the codecision procedure (1st reading). The committee wanted a legal base to be established for the Community's subsequent contributions, to be made annually. It urged the Commision to ensure that Parliament was kept properly informed, and called on it to submit to Parliament and Council in 2002 an initial report on the Fund's management and working methods.
