European observatory for SMEs. 3rd annual report 1995

1995/2067(COS) - 25/04/1996

The Committee on Economic and Monetary Affairs adopted the report by Mr Roberto MEZZAROMA, including the 11 amendments that had been tabled. Whilst the committee welcomed the Commission's report, it highlighted a number of specific points, particularly the need to simplify the administrative environment, access to public contracts, problems of financing, access to research programmes and the information society, and the problem of late payments.
