

Side-impact resistance of motor vehicles (amend. Directive 70/156/EEC)

1994/0322(COD) - 24/01/1996

The Council's common position incorporated 10 of the 11 amendments adopted by Parliament at first reading. The committee thus followed the lead of its rapporteur, Mr Alan DONNELLY, and recommended that the House adopt the Council's common position.
