KAROLUS programme: exchange of national officials between administrations (amend. Dec. 92 /481/EEC)

1997/0214(COD) - 25/02/1998

The committee approved the Council common position on the proposed two-year extension of the community programme Karolus for promoting confidence and uniform application of EU legislation through exchange of national officials involved in the implementation. Following a proposal from the rapporteur Mr Karl VON WOGAU (EPP, D), the Committee adopted the text under the procedure without report as the Council has taken onboard most of Parliament's amendments from the first reading.
