Third-country public procurement markets : access to special fields, Utilities direct. 93/38 /EEC. 1997 3rd report

1998/2089(COS) - 18/03/1999

The Committee (Rapporteur : Werner LANGEN/ PPE, D)approved a draft resolution welcoming a Commission report on the position with regard to EU companies tendering for public contracts in third countries. EU-based countries still face discrimination. Further negotiations are planned.
