2003/0058(COD) - 27/03/2003 - Initial legislative proposal

**PURPOSE** : to undertake codification of Council Directive 93/32/EEC of 14 June 1993 on passenger hand-holds on two-wheel motor vehicles. **CONTENT** : the new Directive will supersede the acts incorporated in it; this proposal fully preserves, the content of the acts being codified and hence does no more than bring them together with only such formal amendments as are required by the codification exercise itself. The codification proposal was drawn up on the basis of a preliminary consolidation, in all official languages, of Directive 93/32/EEC and the instrument amending it, carried out by the Office for Official Publications of the European Communities, by means of a data-processing system. Where the Articles have been given new numbers, the correlation between the old and the new numbers is shown in a table contained in Annex III to the codified Directive.
