

# **Developing countries, poverty diseases: combating HIV/AIDS, malaria and tuberculosis**

2002/0051(COD) - 03/04/2003 - Modified legislative proposal

The European Commission accepts in full all amendments put forward by Parliament during its first reading of the proposal. This includes the proposed increase in the budget allocated to the programme from EUR 300 million for the period 2003-2006 to EUR 351 million for the same period.
