

Aid for policies and actions on reproductive and sexual health and rights in developing countries

2002/0052(COD) - 03/04/2003 - Modified legislative proposal

The European Commission accepts, in its entirety, the amendments put forward by the European Parliament during its first reading. This includes the proposed increase in the financial perspective from EUR 60 million for the period 2003-2006 to EUR 73.95 for the same period.
