Energy: rules for the internal market in natural gas. 'Gas Directive'

2001/0077A(COD) - 23/07/2003 - Commission opinion on Parliament's position at 2nd reading

The Commission states that the conciliation procedure will not be invoked, since Parliament's amendments are acceptable to the Council. The Council approved on 16 June 2003 the amendments voted by Parliament. The Commission accepts all the amendments in full, since they clarify or strengthen the text.
