Joint European Torus JET: amending the statutes (amend. dec. 78/471/Euratom)

1995/0136(CNS) - 19/12/1995

The Committee adopted the report by Mr Umberto SCAPAGNINI (UPE, I) and did not propose any amendments. As a result of an undertaking on the part of the Commission, it accepted that the latter would see to it that the Statutes of the Joint European Torus (JET) were amended. This would guarantee greater transparency and give Parliament an increased measure of control.
